

The Nassau Mineral Club hosts:

Metal Texturing Workshop by Boris Goynatsky

Saturday, Nov 4, 2017, 10:30-2:30

Garvies Point Museum and Preserve

50 Barry Drive
Glen Cove NY 11542

Boris Goynatsky will teach us how to create many different textures on metal. The techniques will primarily use the Foredom tools. Tools will be available.

Kits of the burs, discs, etc. used will be available for purchase. If you want, bring the tools of your choice and small pieces of metal to texture.

Boris Goynatsky is a master and the creative force behind BG Art Jewelry Atelier, based in Manhattan. He designs and makes high quality, creative, original custom-made, hand crafted fine jewelry art pieces. His creations are not limited by the rules and boundaries of formal jewelry making tradition.

Register for the Workshop: Sign up early. It's limited to 8: \$75.00

Note: Admission: Garvies Point Museum is \$3 for non-NMC members.

BORIS GOYNATSKY: Originally trained as a mechanical engineer in his native Ukraine, Boris Goynatsky has worked for Stephen Dweck, Seaman Schepps, Dierdre Feathersone and many others. As an award winning designer and jeweler, Boris continues to work independently for several designers and manufacturers. In addition to his broad work experience, he has taught jewelry design, wax carving and mechanical drawing at numerous schools in Manhattan including: FIT, JCC of Manhattan, Craft Students League and Studio Jewelers. Many of Boris' students have gone on to open their own jewelry businesses throughout the world.
